## Meeting Location/Project Shop Location

With the exception of the Winter Months (Jan thru March), we hold general meetings on the 2nd Monday of each month on the main level of the annex to Our Redeemer Lutheran Church at 910 Wood Ave in Rapid City from 7 pm to 9 pm. In the winter months, we meet on the 2<sup>nd</sup> Saturday of the month after the Toymaking Workshop, starting at 11 am.

Project Workshops are now being held at the “WOOD” SHOP at 910 WOOD Ave on the second and fourth Saturday mornings from 9 am to noon. The WOOD SHOP on WOOD Ave is located in the basement of the annex to Our Redeemer Lutheran Church at 910 Wood Ave in Rapid City. You can enter the WOOD SHOP thru the brown door on the east side of the building. Parking is available on the east and south sides of the building. Wood and supplies are stored at an off-site location.

## Purpose of the RCWA

The RCWA exists for two main reasons: (1) To exchange information that will enhance the enjoyment and skills of woodworking; and (2) To promote woodworking as a hobby, as a profession, or anywhere in between. The focus of the RCWA is woodworking in general. We discuss everything from the phenomenon of seasonal wood movement, to finishing techniques, to table-saw tuning, to shop safety. Members include a mixture of hand-tool (Galoot) and power tool (Normite) enthusiasts.

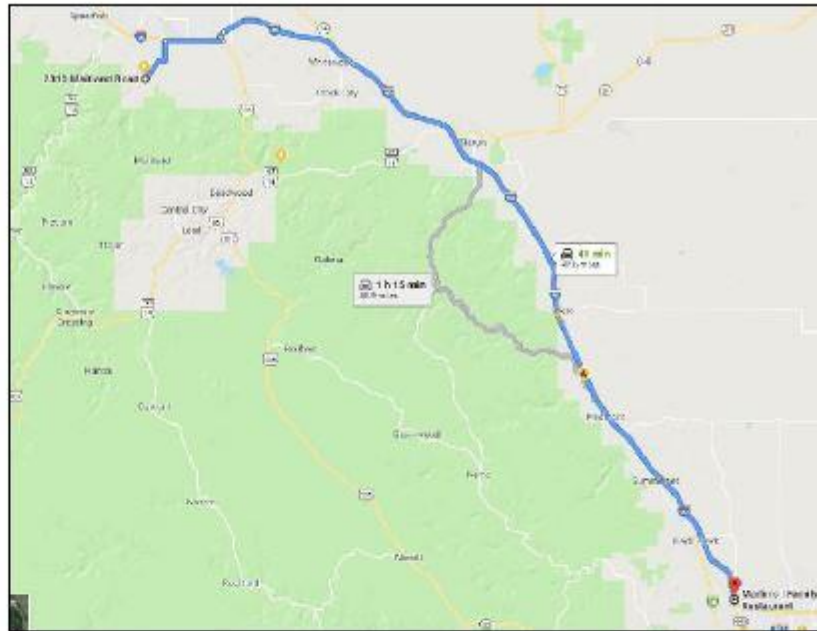

Except for Jan-Mar, the RCWA meets on the 2nd Monday of the month at 7:00 p.m. on the main floor of the annex to OUR REDEEMER LUTHERAN CHURCH at 910 WOOD Avenue in Rapid City. Each general meeting has a theme with one main topic, which is presented and discussed. It’s a great opportunity to meet fellow woodworkers, share ideas, seek advice, and get out of the sawdust for a while. We cordially invite men and women of all ages who have any interest in woodworking, both hobby and professional, to attend our meetings.

## Wood Recovery Exercises

5.16 and 5.17.2024

Wood Donations from Custer were received by Rick and Al on May 16, 2024. The high quality wood donations were picked up from Viri Scheibe's shop on Thursday and brought to the Wood Shop for storage. Bob and Kathie met them at 2:30 pm to assist with the unloading.

Jerry, Bob and Kathie met Al and Rick at 10 am today (5.17.2024) to pickup more wood cutoffs, some spalted maple 2x material, a flitch of Russian olive tree from the ditch in eastern South Dakota, and some sheet goods. Total effort brought in three truck loads of material.
