Remembering Keith Brink

This edition of The Cutting Edge is dedicated to the memory of Keith Brink.

Keith joined the RCWA in late 2021 after talking with us at the annual Woodworking Show. Life had become a new challenge to Keith and he found himself with lots of time on his hands. He desperately wanted to learn new skills and was so excited when he started talking with members of our organization. He was bidding on toys at our Silent Auction just to find good working models for his toymaking efforts. He had been making toys for kids for a few years, and giving them to kids. He wanted to learn about the kinds of tools that work best, as well as new ways to sand and finish them. Al Oines got to know Keith and was able to help Keith by driving his supervan to events. Keith really appreciated this and was able to attend many more events because of this.

Keith mastered the scroll saw in a short time; then one year he actually cut over 1,000 critters as he became a major contributor to the toy program. Another skill he picked up on was wood turning; and he got lots of tips from the woodturners. In all his endeavors, he gave it his all and was a real joy to be around.

Keith shared what he learned with others, as he went often to a local school and gave away critters and performed his magic tricks for kids.

Keith became an important part of our group in a very short time. He passed away on Nov 8, 2025. He will be greatly missed.

RCWA Events since the Last Newsletter Release

Events attended by members since the last General Meeting in November 2025 included Toy Workshops, the Toy Packing and Distribution Day, and the annual Family Christmas Potluck.

Scroll Saw Special Interest Group (SS SIG): Nov 20, 2025

The Scroll saw Special Interest Group (SS SIG) met at Rick's shop in Black Hawk today from 1 pm to 3pm. Attending today: Rick, Al, Darwin, Bob and Kathie

Today's discussions included general scroll sawing discussions about basket makinmg on the scrollsaw. Rick shared some patterns, and detailed explanations related to the baskets.

Bob brought in some parts for a slinky snake. Rick wants to figure out the wheel offsets needed to make the snake move up and down as it is pulled.

Al brought in his completed homework of angels table decorations/napkin holders.

Rick showed his latest CNC creation – the sea horse on the end of the walnut cradle.

Photos from the event:

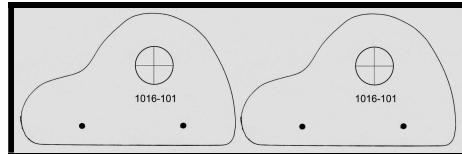

Woodturning Special Interest Group (WT SIG)

There was no meeting of the WT SIG in November or December 2025 due to their proximity to major holidays.

Project Love Bug

Lots of Love Bugs have been made at Toy Workshops and in-home shops; and are available to members. This special toy is allocated for distribution to members for everyday giving to a child deserving or needing a little love. If you need a few "Love Bugs", ask Rick or Roy. We keep hearing good stories/feedback from this project. "Love Bugs" are ending up all around the world.

Meeting Location/Project Shop Location

With the exception of the Winter Months (Jan thru March), we hold general meetings on the 2nd Monday of each month on the main level of the annex to Our Redeemer Lutheran Church at 910 Wood Ave in Rapid City from 7 pm to 9 pm. In the winter months, we meet on the 2nd Saturday of the month after the Toymaking Workshop, starting at 11 am.

Until Sept 1, 2026, Project Workshops are held at the “WOOD” SHOP at 910 WOOD Ave on the second and fourth Saturday mornings from 9 am to noon. In September, we begin meeting every Saturday morning in preparation for Toy Distribution Day on Dec 5, 2026. The WOOD SHOP on WOOD Ave is located in the basement of the annex to Our Redeemer Lutheran Church at 910 Wood Ave in Rapid City. You can enter the WOOD SHOP thru the brown door on the east side of the building. Parking is available on the east and south sides of the building. Wood and supplies are stored at an off-site location.

Purpose of the RCWA

The RCWA exists for two main reasons: (1) To exchange information that will enhance the enjoyment and skills of woodworking; and (2) To promote woodworking as a hobby, as a profession, or anywhere in between. The focus of the RCWA is woodworking in general. We discuss everything from the phenomenon of seasonal wood movement, to finishing techniques, to table-saw tuning, to shop safety. Members include a mixture of hand-tool (Galoot) and power tool (Normite) enthusiasts.

THE CUTTING EDGE – JANUARY 2026

Except for Jan-Mar, the RCWA meets on the 2nd Monday of the month at 7:00 p.m. on the main floor of the annex to OUR REDEEMER LUTHERAN CHURCH at 910 WOOD Avenue in Rapid City. Each general meeting has a theme with one main topic, which is presented and discussed. It's a great opportunity to meet fellow woodworkers, share ideas, seek advice, and get out of the sawdust for a while. We cordially invite men and women of all ages who have any interest in woodworking, both hobby and professional, to attend our meetings.

HATS are Available

RCWA Hats are available – Tony has them: \$ 15 gets you a new hat bearing our new website address (and a free secondary hat with the old website, while supplies last).

TOYMAKING MILESTONE PASSED ON SATURDAY 12.6.2025

For the 18th year in a row, the Rapid City Woodworkers Association (RCWA) will be donating handmade wooden toys to local groups who work with children in South Dakota.

The Toymakers in the Rapid City Woodworking Association (RCWA) have been working all year to finish the toys in time for Christmas giving. This year, this group of more than 40 active toymakers finished 4,692 handcrafted wooden toys. Many toys were given to children at special events during the year, but 3,477 toys will be delivered to local charitable organizations who work with children in South Dakota and beyond, this week.

The toys for Christmas giving will be packed for delivery on Saturday morning Dec 6, 2025, in the Wood Shop in the basement of the annex to the Our Redeemer Lutheran Church at 910 Wood Ave in Rapid City, SD. They

will be delivered (at no cost) to over 30 groups in South Dakota and beyond. Most of the toys will be delivered that same day.

Lebron James started his basketball career in 2006. In April 2025, he reached a milestone in his career by making his 50,000th point. The RCWA started making toys in 2008. We will be reaching a toymaking milestone this Saturday by giving away our 50,000th toy! So this Saturday, as we give away our toys for 2025, we will surpass the total number of 50,000 toys given to kids! Congratulations TOYMAKERS!!!

Annual Christmas Family Potluck 12-13-2025

Attendees (28): Jim and Maggie Brown, Bob and Kathie Buchanan, Grant and Mary Coffin, Lon and Vicki Gose, Jerry and Patsy Hood, Stu and Mary Kellogg, Tony and Carri Verchio, Cori Weisbeck, Josh, Rick Weisbeck, Al and Jeri Oines, Lauree and Darwin Buus, Marty Bartholomew, Jim Burk, Ron Fisher, Ed Pike, Bill Gedrose, Sue Jorgensen, and John Wolf.

Twenty-eight hardy souls traveled out to the recently upgraded Doty Fire Station on Nemo Road on Saturday Dec 13, 2025, for our annual RCWA Christmas Family Potluck luncheon. The temperature was a balmy 10 degrees. Hosts Jim and Maggie set up tables and chairs. Patsy, Kathie, Rick, Jeri, and Mary put on tablecloths and decorated the tables. Kathie and Bob brought a Turkey, Patsy and Jerry brought a ham. Lots of salads, breads, and desserts filled out the rest of the spread. We started eating about 1 pm. Kathie shared a Yule Log for the first time. Maggie brought a sausage/beef dressing. Some other items I remember include gingerbread men cookies, mashed potatoes/gravy, roasted potatoes, dinner rolls, a carrot/celery/tomato vegetable plate, potato cheese casserole, chocolate peanut clusters, frozen fruit salad, a 7-layer salad, pecan pie, apple pie, red velvet cake, candies, carrot cake, orange/almond bread, banana breads, mixed nuts, taffy, and cheesecake.

We started the meal with Chaplain Maggie giving thanks for all the blessings of the past year, followed by lots of eating and visiting. Near the end of the meal, Bob gave an update on the Toy Program and highlighted some of the memorable events of 2025. He also read a Thank You Note from Youth and Family Services (YFS).

Nemo Road was nicely sanded and the gathering concluded by 2:30 pm, so everyone was home long before dark. It was a beautiful drive thru the frosted Pine Trees! Thanks Maggie and Jim and the Doty Fire Department for making the event so enjoyable. And thanks to all attending. Congratulations on an amazing year of toy making!
